The Port of Brisbane Corporation has been involved with the annual PRIMEX Show in Casino for a number of years, and will continue to do so for many years to come. We have found PRIMEX to be not only an important event for rural and agricultural businesses throughout Northern New South Wales, but more-so for Australia-wide businesses who benefit from trade through this region.

The event has a successfully balanced mix of business and community activities, creating opportunities for the Port of Brisbane Corporation to not only grow awareness of our increasing business growth throughout the region, but to also give back to a region that gives so much to us.
