HELLO,

Thanks and welcome to our 3rd Annual Charolais Charbray Classic Male and Female Sale being held for the first time at The Primex Exhibition.

Now that the Charolais breed is a major player in crossbreeding it is more important than ever to produce correct animals for the discerning buyer, who in turn can operate in specific markets, be it veal, weaners, feedlot or Jap Ox. The Charolais stud breeder now, with the help of Estimated Breed Values (EBV's) and visual judgements has access to additional information ensuring that market demand can be achieved.

Today, we have a quality yarding to do just that. Supplied by prominent guest studs such as Jay Tees, Mylington and Newcombes, plus our local vendors Mullum Charolais, THW, Piora, Calmview and Valley View.

With such a vendor line-up buyers will be able to purchase quality, affordable Bulls and Females with confidence.

Have a great day and good luck with your selections.
