Dear Mr Wright

Thank you for your application for an exemption to enable interstate motor dealers to exhibit at a trade show in New South Wales.

I wish to advise I have declared the Primex Field Days Show, to be held between 10 November 2022 and 12 November 2022, as a 'declared trade show' under clause 5A of the Motor Dealers and Repairers Regulation 2014.

Interstate dealers will be able to participate in the show without being required to hold a NSW motor dealers licence. The sale of motor vehicles (including towable recreation vehicles) is prohibited for interstate dealers at trade shows.

The Order has been published in the NSW Government Gazette and states the conditions that will be applicable to interstate dealers participating in this show. The Order is only applicable during the dates specified in the Order. The Order is attached for reference.

You can proceed to advise interstate dealers that the above show has received the interstate dealer exemption.

As the event organiser you are required to advise interstate dealers of the conditions of the Order for this shows. If interstate dealers do not comply with the conditions, then the exemption to operate without a licence will not apply to them. NSW Fair Trading inspectors may attend the show to ensure compliance with legislation.

I wish you all the best for the event. If you have any concerns or questions, I encourage you to email Fair Trading at licensing.exemptions@customerservice.nsw.gov.au.

Yours sincerely

The Hon. Eleni Petinos MP
