Re: Motor Trade Show Exemption application - Norco Primex Field Days 2023

Dear Mr Wright

Thank you for your application for an exemption to enable interstate dealers to exhibit at a trade show in New South Wales.

I wish to advise I have declared the Norco Primex Field Days 2023 (the show), to be held between 11 May 2023 and 13 May 2023, as a 'declared trade show' under clause 5A of the Motor Dealers and Repairers Regulation 2014.

Interstate dealers will be able to participate in the show without being required to hold a NSW motor dealer licence. The sale of motor vehicles (including towable recreation vehicles) is prohibited for interstate dealers at trade shows.

An Order has been published in the NSW Government Gazette stating the conditions that will be applicable to interstate dealers participating in the show. The Order is only applicable during the dates specified in the Order. The Order is attached for reference.

You may proceed to advise interstate dealers that the show has received the interstate dealer exemption.

As the event organiser you are required to advise interstate dealers of the conditions of the Order for the show. Interstate dealers must comply with these conditions. NSW Fair Trading inspectors may attend the show to ensure compliance.

If you have any questions, please contact NSW Fair Trading at licensing.exemptions@customerservice.nsw.gov.au.

Sincerely,

1/5/23

Anoulack Chanthivong MP
